Gentlemen:

The U.S. Army Corps of Engineers (Corps) has completed the review and evaluation of your modification request received on April 11, 2016, in which you asked to change the work window required by Special Condition 4 of Department of the Army permit number SAJ-2001-3870. The permit was issued to South Amelia Island Shore Stabilization Association on April 11, 2016. The project site is located along South Amelia Island from approximately R-64.5 southward to R-72.3, in Sections 1, 6, 18, 22, 29, and 38, Townships 1 and 2 South, Ranges 28 and 29 East, Amelia Island, Nassau County, Florida.

Special Condition number 4 is hereby replaced with the following:

4. Work Schedule: The Permittee shall complete the authorized work and remove all equipment by one-half hour before sunset on April 30, 2016.

The impact of your proposal on navigation and the environment has been reviewed and found to be insignificant. The permit is hereby modified in accordance with your request. You should attach this letter to the permit. All other conditions of the permit remain in full force and effect.

If you have any questions concerning this permit modification, please contact the project manager Paula Johnson at the letterhead address, by telephone at 904-232-2503 or by electronic mail at paula.r.johnson@usace.army.mil.

Thank you for your cooperation with our permit program. The Corps' Jacksonville District Regulatory Division is committed to improving service to our customers. We strive to perform our duty in a friendly and timely manner while working to preserve our environment. We invite you to complete our automated Customer Service Survey at http://corpsmapu.usace.army.mil/cm_apex/f?p=regulatory_survey. Please be aware this Internet address is case sensitive; and, you will need to enter it exactly as it appears above. Your input is appreciated – favorable or otherwise.
